2016 HOMESTEAD SCHEDULE NOTES

- Both coaches should e-mail scores after each game to homesteadsb@gmail.com
- You may schedule additional games versus what is on this schedule on any night & location, just be sure both coaches agree whether game will "count" in standings
- Try to maintain the times for games listed here, although starting times can be adjusted if both teams agree & it won't affect other games.
- If either team cannot play for whatever reason, there are no forfeits in our league. Both teams must agree to the rescheduled date and time.
- If you are short on players, ASA rules allow you to play with as few as 7 players, but must take an out for each missing player(s) each time missing player(s) spot comes up in batting order. Otherwise game can be played as an "exhibition" that will not count in standings, and you can borrow players from other team
- Home team provides home plate umpire, visiting team provides base umpire
- Blank tournament brackets are on last 3 pages
