# City Newsletter: December 2018

*Happy Holidays!*

The Mayor, City Council and employees of the City of Hickman join together to extend a Merry Christmas, Holiday Greetings and Best Wishes to the citizens of Hickman and the surrounding area!

## Snow Removal and Fire Hydrant Accessibility

Residential sidewalks are required to have snow removed within 24 hours after the cessation of a snow storm. Please be courteous to your neighbors by not blowing or throwing snow onto other citizen's property, sidewalks, driveways or in the city streets. You can assist the Hickman Volunteer Fire Department by removing the snow around Fire Hydrants in your neighborhood. By locating and exposing Fire Hydrants, the Fire Department can save valuable time in an emergency situation.

The City Public Works Department will plow city streets and trails when there is an accumulation of three or more inches of snow. Please move your vehicles off of the city streets within 48 hours of any winter storm to assist the Public Works crews with continuous snow removal.

Plowing schedule in order of Priority: Chestnut Street (68th Street), Hickman Road (7th Street), Commercial Business Districts, Residential Streets, Residential Alleys, City Owned Trails/Sidewalks
