Snow Removal Courtesy and Fire Hydrant Accessibility

Please be courteous to your neighbors by not blowing or throwing snow onto other citizen's property, sidewalks, driveways or in the city streets.

You can assist City Public Works & the Hickman Volunteer Fire Department by removing the snow around fire hydrants in your neighborhood. By locating and exposing fire hydrants, the Fire Department can save valuable time in an emergency situation.

The City Public Works Department will plow city streets and trails when there is an accumulation of three or more inches of snow. Please move your vehicles off of the city streets within 48 hours of any winter storm to assist the Public Works crews with continuous snow removal.

Street order of plowing priority: Chestnut Street (68th Street), 7th Street (Hickman Road), downtown business district, residential streets, residential alleys, city owned trails/sidewalks.

City Council Meetings are held on the 2nd and 4th Tuesday of each month at 7PM at City Hall. These meetings are open to the public and the public is encouraged to attend. Agendas are posted the Friday prior to the meeting at City Hall, Hickman Post Office, U-Stop and City Website.
